

MyLab / Mastering—Enrolling in Another Course Section

1) Go to: www.pearsonmylab.com or www.pearsonmastering.com

2) Select **Sign In**

Enter your existing Pearson Account username and password, then **Sign In**

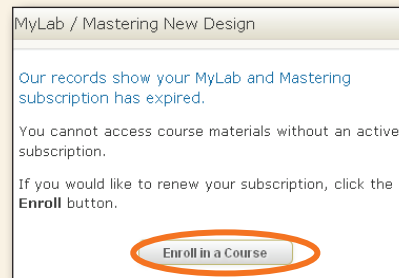

A screenshot of the Pearson login form. It has two input fields: 'Username' with the placeholder text 'Pearson Username' and 'Password' with the placeholder text 'Pearson Password'. Below the fields is a green 'Sign In' button.

3) Select **Enroll in Another Course** above your course listings

If your access has expired, you will see one of these screens. To continue, select the **enroll in another course** button or link.

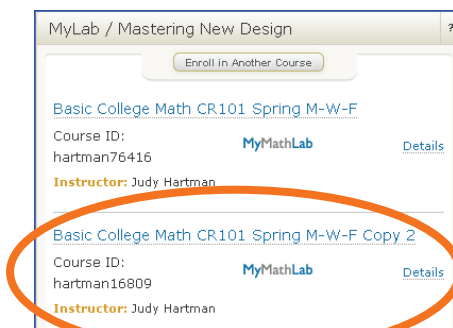

4) **Enter the Course ID** for the additional course section and select **Continue**

A screenshot of the Course ID input field. The text 'Course ID' is followed by an empty input box and a green 'Continue' button.

5) Enrollment has been successful! On the Confirmation Page, select **Go to Your Course**

6) The additional course section now appears under your course listings*

*Only active courses will appear
